

Model: RM020120AL

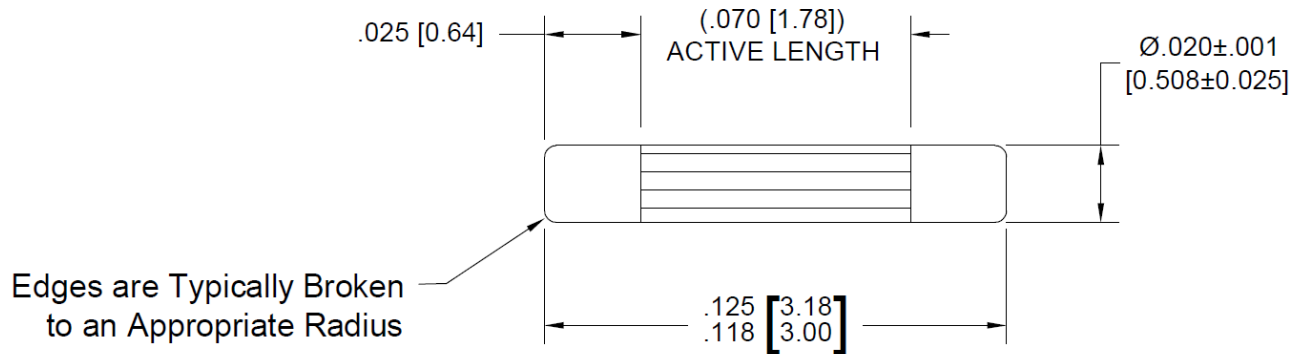

Metal Film

Technical Specifications

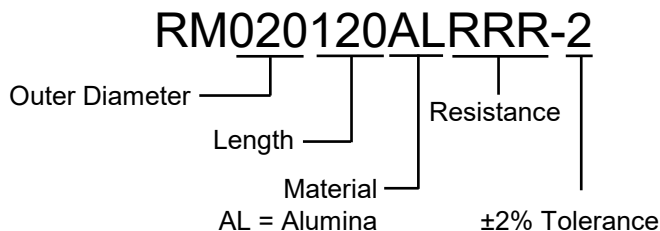

Parameter	Value
<i>Electrical</i>	
Resistance Range	1 – 200 Ohms
Resistance Standard	50 \pm 2% <i>Contact us for other values</i>
Power	0.25 Watt avg. <i>Derated linearly to 0 watts @ +150°C</i>
<i>Mechanical</i>	
Substrates	Alumina
Optional Protective Coating	Proprietary high-temp
Solderable Terminals	Nickel and silver plated

Model Number: **RM020120AL50-2** shown

How To Order

Ordering Examples

Model: RM020120AL50-2
 $\varnothing .040 \times .120$ LG; Alumina; 50 Ohms \pm 2%

**Other sizes and coatings are available.*
